500 Club

My dear Noble:

Are you a member of the 500 Club? If not, why not? We want to thank those on the Honor List, that made the 500 Club also those that tried, just keep it up, and you will get there. Go out and get one or more for our next meeting, May 29th, and be among the live ones. Bear this in mind, you are doing the Candidate a big favor in getting his application. Don't let him think for one moment that he is doing you a favor, as it is an honor to be a member of Aleppo Temple.

The 500 Club started out with 50 members, we must get busy and add at least 200 members at our next meeting, May 29th. We can do it, but we must have the support of all. Can we count on you to get enclosed application filled in for this meeting? Yes? That's the spirit - - -

Well, it certainly was some meeting. Potentate Faye is entitled to congratulations on the success of his first meeting. From what he says you will be more than satisfied with the next meeting, as he has several new things in mind for us. His only thoughts are to please the Boys. If you have any suggestions to make, just call at the office and talk it over with him. He has an open mind, and will be more than pleased to see you. It is now up to us to do our little bit and give him our entire support, show him how much we appreciate what he is doing for us. What we need is members, just get busy and get one, so we will show a gain for 1931 instead of a loss. It is up to us, you will be surprised how little effort it will take if we get out and hustle.

Now get busy and be a go-getter, with either a Knight Templar or Scottish Rite Mason as there are several thousand in this jurisdiction, that are entitled to be one of us, who will be the first to get the good work started - Thank You.

Now in case you are too busy and have not the time, kindly send us the names of any good prospects you may have in mind, and we will gladly give them our attention and will credit you with any we may succeed in closing.

Yours in the Faith,

Geo. F. Reif
